## From the President (by Sam Katsivas)

In this month's report, I'd like to shift my focus onto marketing and general improvements for our club.

### Recruitment

The board has tasked a sub-committee of the Bowling Portfolio with the role of overseeing a process for the recruitment of new members.

We all understand the importance of numbers to the well-being of a club. Every season we hear that player movements between clubs are occurring due to a whole range of reasons ranging from discontentment with selection to travel distances, personality clashes or a host of other circumstances. Recruitment is something we have not actively pursued for a long time, and the board believes it is time we did so again.

There are many aspects to consider when recruiting players, especially when the club has a player-no-payment policy, so it won't be an easy task. Nevertheless, we will go forward with this initiative. In order to nurture and protect our club culture, the process will consider people of quality character above all other attributes.

Everyone has a role to play in this. If you know of any player who are seeking to move clubs and you feel they would be a good fit for Lockleys, please pass their names onto **Ash Halls** or **Peter Thaler**.

### TeamApp

Quite a few months ago Theo Katsivas proposed that our club could benefit from using a free phone app called **TeamApp** to assist communications and for people to be able to receive notifications of club events and activities.

Please read Theo's information below.

*It is basically a generic team app that can be configured to any specific team and any person can be invited to join a group. I was talking about it to some Henley members last year as a general discussion about technology and later found out that they had created their own team app called The Henley Sharks. I am now a member of the group "Friends of Henley BC". I get push notifications of functions they hold, social bowls events, tournaments and general promotion of their club.*

*It's easy enough to download Team App here <http://teamapp.com/app> or through the **Android Play Store** or **iPhone App Store** - Its 100% FREE.*

*Once installed, launch Team App. Then:*

- 1. Sign-up to Team App. You'll be sent an email to confirm your registration.*
- 2. Log in. Then search for Lockleys Eagles and request access to group(s) that apply to you.*

*I will continue to use it for our own rink mates and practice buddies but I really do think we can launch this club-wide, including night owls (and beyond) as a powerful tool to promote our club.*

*Theo Katsivas*

I would like to echo Theo's thoughts and recommend that anyone who is interested, to please give it a go.

### **Sponsors**

I would like to thank Mike Pearson and Mark Ballestrin who are in continuous active negotiations with three possible new significant sponsors for our club. If successful, these sponsorship additions will strengthen our bank balance and operations. Well done guys. Watch this space.

### **Fitness group**

The use of the club by the fitness group can occasionally cause minor disruptions to our activities, but the group is mindful and always tries their hardest to do the right thing for our club.

Please assist them by being flexible and above all else respectful. Remember that they are paying clients and therefore have rights. In addition, they contribute a 5-figure sum to our club annually.

If you have a grievance, please refer that to either Mark or me, rather than going directly to Scott, Patrick or Antoni. It's important we enjoy strong relationships with our valued users.

### **Club Improvements**

While we await outcomes for redevelopment, there is no reason why we cannot get the club looking vibrant and fresh in the meantime.

The grounds look fantastic. People visiting, see the pavers being laid and the overall impression is that Lockleys is moving forward.

I have spoken to council and am seeking to get them to supply paint and painters to give the outside a fresh coat of paint – I may even ask for a "club colours paint job" to give the building a real lift. I'll let you know if my requests have been successful.

Faulty lights in the men’s toilets have now been replaced with new LED lights. It is much brighter in there now, so fellas, no excuses for missing the target!

**And finally ...**

I am extremely pleased with the overall direction in which the club is headed and thank all members for their contributions and participation towards our agreed goals and milestones.

**Bowls Report** (from Ashley Halls)

**Women’s Country Round-Robin >> Tuesday 9 February to Friday 12 February**

The Club will again be hosting the Women’s Country Round Robin, from Tuesday 9 February to Friday 12 February (inclusive), featuring participation each day by at least 150 women from regional South Australia.

The event is potentially one of our most important revenue-raising activities, as well as providing an invaluable opportunity to showcase our Club to bowlers throughout the State.

However, its success is totally dependent on the support of our volunteers, whose help we need with catering **each day** as follows:

**7.30 >> 9.30am** – 6 people to prepare/serve morning tea & set tables

**9.30 >> midday** – 8+ people to prepare lunch

**Midday >> 2.00pm** – 8+ people to serve lunch & clean-up/wash dishes

**2.00 >> 4.00pm** – 3 people to prepare afternoon tea, wrap cutlery for the following day & tidy up

**Also**, help is needed at **4pm Monday 8 February** to set up tables etc.

If you can help (on one or more of these days), please add your name to the sheet in the Club house or contact Liz Ormston by email [ormston1@internode.on.net](mailto:ormston1@internode.on.net) or call/text 0408 400 176, ideally by Saturday 30 January.

**IMPORTANT** ... during this week, the Club still has Wednesday & Thursday pennant commitments so don’t assume that we will easily find the help on these days (in particular).

**Taylor Bowls—changes to games schedule**

Significant date changes have been made to the Taylor Bowls schedule of games in both of the divisions that Lockleys plays in.

Please check the table below and update your personal diary system.

	<b>Gold division</b>	<b>Bronze Central division</b>
24 January	v Henley @ Henley	v Kensington Marryatville @ Lockleys
7 February	v West Lakes @ Grange	v Henley @ Morphett Vale
14 February		v Torrensville @ Kensington Marryatville

7 March		Qualifying Finals
11 April		Quarter Finals

The club is looking to hold the championship finals day for the singles and the pairs on **Sunday 31 January**. This will give the respective winners the opportunity to nominate for the Bowls SA champion of champions.

### **From the Vice President** (by Mark Ballestrin)

#### **Vacancy—Bar Co-ordinator**

I will be relinquishing the role of Bar Co-ordinator at the end of this season. It has generally been an enjoyable role for me but one I have been struggling with of late whilst working full time. The role/function is one that can be easily managed by a person(s) who has a bit more spare time than I do.

I know that there are many of you who are at the club several times a week, the Bar Co-ordinator role would not increase your time at Lockleys greatly. And the role/function does not necessarily need to be in the hands of only one person, it can easily be carried out by a small group of members.

I will give anyone interested a rundown on the job and of course will always be around to help. The whole board will also be able to help with guidance.

Please feel free to have a chat with me and as a last bit of a carrot ... there is a “Bar Manager” car-park available!
