Redevelopment

I would like to convey a very big thank you to the 55 people who attended the recent information evening where I outlined plans for a possible future of the Lockleys Bowling Club.

As I indicated at that meeting, although no official statement has yet been made, all indications point to the new north-south corridor extension of South Road requiring compulsory acquisition of established land. It appears that Torrensville Bowling Club will be severely impacted by this development, to the extent that our Mayor, Michael Coxon, through his council works committees has facilitated meetings between Torrensville and Lockleys to explore the possibility of both clubs co-locating under the same roof at Lockleys, thus allowing Torrensville to find a new home within the precinct of the West Torrens City Council.

At this stage, 4-person committees have been set up by both Torrensville and Lockleys to explore all options in relation to this proposal. For Lockleys, this means that we need to entertain the possible prospect of another club in our facility whether that be as a separate entity to our own club or whether it becomes a new merged club or whether it is something different altogether.

For Torrensville, this is a major undertaking because they have already recently been through an amalgamation, along with a significant works program to establish their new club into a viable and popular venue. Being asked to move again is something which will be very difficult for their members, so I believe it is very important that we allow their club the time and space to consider all their options and come to an independent decision about what their future holds for them.

As president of Lockleys, I will support that process, and I ask our members to stand alongside me in ensuring that we do not get ahead of ourselves, but instead allow time for the two committees to come together and collectively forge the pathway for the future of both clubs.

As always, I will keep you informed and I will continue, through the board, to seek your guidance and feedback as new directions and developments present and unfold.

Thank You

I would like to thank WTCC for repainting the northern wall of our clubrooms and the veranda area in club colours. It is a welcome spruce-up.

STOP PRESS D. Schumacher ... three sheets to the wind

Story goes like this. Our astute treasurer visited the club last Sunday morning (26 September) to find three cars parked in our carpark. He recognised one of them as Des Schumacher's but did not realise that earlier that morning two shared cars had departed for Wallaroo, leaving the remaining cars at the club. The ensuing phone conversation went roughly like this:

Treasurer: *"Hey Sam, I have just arrived at the club to find the bar unlocked and three cars in the carpark left over from last night. They must have really partied hard on grand final night".* Then with an incredulous tone, *"And one of them is **Des Schumacher's!!!!**"*.

President: (never to miss an opportunity): *"Yes Tony, sadly, a few of them were three sheets to the wind and as for poor Des, well ... he had to be carted home in a wheelbarrow!"*

Bowls Report (from Ashley Halls)

The pennant season kicks off next Wednesday (13 Oct) and from there it is all steam ahead. Just a few notes.

2021-22 Lockleys pennant schedule

The [2021-22 Lockleys pennants schedule](#) can be accessed via the link. The schedule is unlikely to change except for maybe the lowest division each day where a club may have a side pull out of the competition due to struggling numbers.

Travelling Direct

For those players travelling directly to and from away matches, please ...

- ✓ Put your name on the board to indicate you are travelling direct
- ✓ Ensure that after the game you complete an assessment slip and give it to your team manager/selector/skip/other player who is coming back to the club.

Pennant starting times

A reminder of pennant starting times which are the same as last year:

- ✓ **Wednesday** 30 minute roll-up from 11.30am till 12.00 noon.
Cards are then drawn and two end roll-up starts at 12.15pm

- ✓ **Thursday** 30 minute roll-up from 9.00am till 9.30am.
Cards are then drawn and two end roll-up starts at 9.45am
- ✓ **Saturday** 30 minute roll-up from 12.15pm till 12.45pm.
Cards are then drawn and two end roll-up starts at 1.00pm

Tea Breaks

Tea breaks for all Wednesday and Saturday games are mandatory except for Saturday Premier matches.

Unlike last year, team managers CANNOT agree to forego a half time break.

With a mandatory break, Lockleys will be re-introducing sandwiches for all players having a break. Ian Tucker is co-ordinating the making of sandwiches so if you are able to help, please contact Ian.

Rotation Policy

We have about the right number of players for Saturday but on Wednesdays we are likely to have a few people left over each week. A rotation policy will apply to players in the Div 4 side.

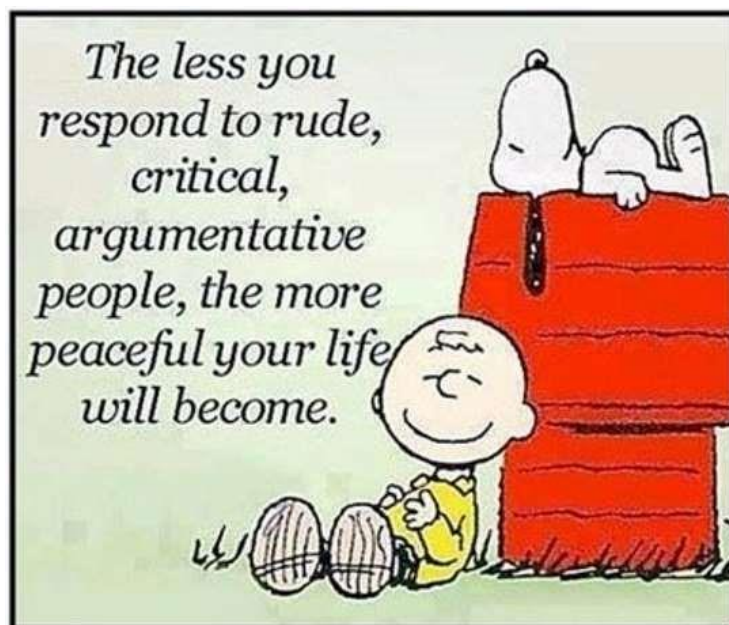

Night Owls “Come & Try” Sundays

The next two Sundays will see a number of our Night Owls players coming down to the club from 10am till noon for a come and try/practice session.

We are also having the first round of club pairs and club triples on each afternoon. Hotdogs will be available from 12 noon this Sunday so if you can, please come down early to meet our night owls bowlers, stay for lunch and then either play or watch some great games of pairs.

State Fours >> Sunday 31 October

Entries for the State Fours close this weekend so if you're intending to enter, please don't wait till the last minute. Dates for other events are on the notice board. Entry is on-line through the Bowls SA web site.

Duty Rink Tasks

Before the game

1. Raise the three flags
2. Set up the electronic scoreboards using the extension cords kept in the storeroom
3. Place jacks & mats at the end of the allocated rinks
4. Wipe down all seating adjacent to the green(s) of the day
5. Roll shade covers across the green seating
6. Check & empty all rubbish bins
7. Fill the urn and switch on
8. Place wind flags on the green(s) of the day
9. Place money pouches & table numbers (stored in linen cupboard)
10. Place measuring equipment “sack-truck” adjacent to green(s) of the day

After the game

The following tasks should not be undertaken until your direct opponents have departed the club, i.e. these tasks should not be done while you still have visiting bowlers to socialise with.

1. Lower the flags and return to storeroom
2. Gather the green wind flags & return to the storeroom
3. Power down the scoreboard, cover with hoods & return power cords to storeroom
4. Return all mats & jacks to the storage trolleys and return them to the southwestern corner of the main hall
5. Empty all bins
6. Retract & secure all shade covers ... if you need help, ask a tall person

The importance of hydration (by Arnaldo Liechtenstein, MD, PhD, University of São Paulo | Departamento de Medicina Interna)

Whenever I teach clinical medicine to students in the fourth year of medicine, I ask the following question ... What are the causes of mental confusion in the elderly?

Some offer: "Tumours in the head". I answer: No!

Others suggest: "Early symptoms of Alzheimer's". I answer: No!

With each rejection of their answers, their responses dry up.

And they are even more open-mouthed when I list the three most common causes:

- uncontrolled diabetes
- urinary infection
- dehydration

It may sound like a joke, but it isn't.

People over 60 generally stop feeling thirsty and consequently stop drinking fluids. When no-one is around to remind them to drink fluids, they quickly dehydrate.

Dehydration is severe and affects the entire body. It may cause abrupt mental confusion, a drop in blood pressure, increased heart palpitations, angina (chest pain), coma and even death.

This habit of forgetting to drink fluids begins at age 60, when we have just over 50% of the water we should have in our bodies. People over 60 have a lower water reserve. This is part of the natural aging process.

But there are more complications. Although they are dehydrated, they don't feel like drinking water, because their internal balance mechanisms don't work very well.

Conclusion:

People over 60 years old dehydrate easily, not only because they have a smaller water supply, but also because they do not feel the lack of water in the body.

Although people over 60 may look healthy, the performance of reactions and chemical functions can damage their entire body.

So here are two alerts:

1) Get into the habit of drinking liquids. Liquids include water, juices, teas, coconut water, milk, soups, and water-rich fruits, such as watermelon, melon, peaches and pineapple; orange and tangerine also work.

The important thing is that every two hours, you must drink some liquid. Remember this!

2) Alert for family members: constantly offer fluids to people over age 60. At the same time, observe them.

If you realize that they are rejecting liquids and from one day to the next, they are irritable, breathless or display a lack of attention, these are almost certainly recurrent symptoms of dehydration.

From the Treasurer (by Tony Holder)

Short & Sharp

The Ladies Fashion Parade, held at the club on 14 September, was an outstanding success. It raised over \$2000 in profit. A great result for all the hard work put in by organisers and helpers.

A reminder to all members who have made recent uniform purchases ... payment is due.

To all club championship entrants ... please pay your entry fee(s) as soon as possible to avoid getting a “reminder” from the Treasurer.

Drakes Sponsorship

We have just received a voucher for \$142.00 from Drakes Supermarkets.

This is because members get the Drakes Community Dollars program barcode scanned when they make a purchase. We get \$0.01 for every \$2.00 spent by members and scanned at checkout. \$142 may not sound much but this is the easiest money we get. Just make sure you get the barcode scanned at check out when you shop at Drakes.

Bowls Officials

Bowls SA are conducting courses in October as follows:

Marker’s course ... Friday 8 October

Measurer’s course ... Friday 15 October

Umpire's course ... Friday 22 October

All courses will be held at Holdfast and the club will reimburse the registration fee.

It would be good to have a few more of our members, particularly our ladies, apply for one or all of the above. Below are links to the Bowls SA online registration.

Give it a go as it's is good fun and rewarding as well as increasing your knowledge of this great game

Marketing & Sponsorships (from Mike Pearson)

Club polo shirts ordered towards the end of last season have arrived and if not yet uncollected, are hanging on a rack in the Ladies' Lounge. The shirt cost (including name embroidery) is \$35.

If you have not already done so, please collect your shirt AND/OR make payment.

Payment can be by EFT or cash (enveloped and dropped in the "envelope box").

EFT details are ... BSB: 105 128 ... A/c No.: 473445240 ... A/c Name: Lockleys Bowling Club

Please ensure you include your name when playing by EFT or enveloped cash so that Tony knows who's paid.

Long-standing club supporter Peter Elberg Funerals (PEF) is intending to sponsor a Night-Owls team on both Tuesday and Wednesday nights. PEF is also "kitting" them out in polo tops and we thank Peter Elberg Funerals for their on-going support of the club.

Social News (from Liv Piper & Mark Ballestrin)

Bar Update

By now I'm sure that there is no need to go over old ground regarding the previous financial situation in which the club once found itself. But what is important for all of us to be aware of is that under President Sam's leadership, all business conducted by the club is run according to sound professional principles, at least to the degree that a volunteer-based organisation can do so.

Our bar is a good source of income to support the operations of our Club. We rely on generous sponsorships to ensure we can provide good quality wine at an affordable price, whilst creating supporting income for the Club. We are currently trialling a sponsorship with Shaw Family Vintners as we have been without a wine sponsor since our Shingleback sponsorship ended. In honour of Reg Davies and the years of sponsorship we are pleased to offer Shingleback wine as an option to purchase by the bottle, along with a growing range of other wines.

We have a range of 'house' reds such as Shiraz, Cabernet Sauvignon and Merlot and we have just introduced 'house' whites being Sauv Blanc and Pinot Gris.

The bar team have been working hard to rejuvenate our bar, we now have various snacks and new varieties of chips with more to come.

Robyn Aust will be our number 1 Saturday bar person for the upcoming season. I can't emphasize enough how appreciative of Robyn every single one of us should be. Please make sure you do all you can to make Robyn feel welcome.

As always, our Helen Musson will continue to assist during the rush hour immediately following the end of play. Again, Helen gives of her time for us and we are very grateful.

Bar Matters for Volunteers

We have a wonderful group who generously give their time to assist with the running of the bar. Please note that your efforts are appreciated by the everyone in the club.

It can be difficult to communicate with all our helpers so I will take the opportunity to do so now as there is no harm in the general membership (& prospective bar helpers) reading this information.

The main purpose of this information is to try and get some consistency amongst us.

- Firstly, please recognize our new sponsor in the Shaw Family Vintners and promote our 5 varieties of Shaw Family Vintners as our go-to house wine.
- We will shortly provide an updated wine list for you to check when selling our other varieties by the bottle.

- Can all washed glasses be moved far away from the glass washer so that only dirty ones are in its vicinity.
- Can the trays holding ready for use glasses be stacked consistently i.e. schooners & soft drink in one tray and port & pints in the other.
- Please give the wine glasses (especially Champagne glasses) a quick wipe with a tea towel prior to being placed in the trays ready for use.
- When stocking the fridges, can we please maintain the order of products as they are rather than shuffling things around. This makes it much easier to serve people and to monitor stock levels.
- No EFTPOS cash out is allowed.
- Please ensure the glass-washer is turned off at the end of business. There are easy to follow instructions to the left of the washer.
- Re bins for recycling out the back – can we please separate white, green & brown bottles. All wine bottles and any glass which does not attract the 10c refund go into the 2 bins outside the cage (this includes the little bubbly bottles).

On a final note, we have a new device to run sales through the bar – some information on how to use this will be available shortly as well as a training session. This allows multiple people to use different devices to serve at the bar, allows for stock control and also allows us to receive feedback on what items are popular.

Having us all on the same page really does make it easier for all of us if things are in the same place all the time.

As we get closer to the season, Mark will speak to the people who have volunteered to help with the ‘behind the scenes’ roles. They include Jorge, Sue & Michael Hogan, Glenys & Cowboy.

Upcoming Social Activities:

Sunday 10 October

- ✓ “Come and Try” morning 10am to 12 noon

Having a Lockleys team at other club's tournaments is important for several reasons (which I won't list here). If any of the above interest you and you are struggling to fill a team, please contact Stephen Jones on 0401-991-980 ... he might be able to help.

ICYMI (In case you missed it ...)

Club championships

The Bowls Committee has decided to make some small (but we think positive) changes to the format and structure of some of the club's championships.

There will be a higher emphasis on getting the first round(s) of pairs and triples completed earlier in the season. This will be achieved by having Sunday 10 October and Sunday 17 October as designated match days.

We have also set aside Sunday 30 January to play the “grand finals” of both club singles events and the respective pairs championships.

The “per bowler” fee to enter each of the championships is \$7 but if you enter 3 or more championships, there is a fee ceiling of \$20.

Men’s & Ladies’ Singles Championship

No significant change ... still a knock-out event with games being organised between the two bowlers (marker required).

The grand final of these championships WILL be played on Club Finals Day ... Sunday 30 January 2022.

Our Club Champions are eligible to compete in the Bowl SA Champion of Champions event that is scheduled for Saturday 30 April & Sunday 1 May.

They are also eligible to enter the Adelaide Masters tournament that will be held over Easter 2022 (15 to 18 April).

Men’s & Ladies’ Pairs Championship

The first two rounds of these championships will be played on Sunday 10 October in order to make significant in-roads into the schedule of games.

These championships are still a knock-out event.

The grand finals WILL be played on Club Finals Day ... Sunday 30 January 2022.

Club Triples Championship

In 2021-22 this championship will be OPEN Gender and is still a knock-out event.

The first two rounds of these championships will be played on Sunday 17 October in order to make significant in-roads into the schedule of games.

After that, each team should make every effort to play games as soon as possible.

Subject to the bowlers involved, the grand final of this championship MAY be played on Club Finals Day ... Sunday 30 January 2022.

Open Championship

In 2021-22 the first round of this championship will be played on Thursday 6 January as three-bowler sectionals.

Sectional winners and “lucky losers” will then advance to the knock-out rounds with games being organised between the two bowlers (and a marker).

No date has been set for the grand final of this championship.

B Grade (Handicap) Championship

Open Championship entrants who do not advance to the knock-out stage will be “automatic” entrants in a B Grade (Handicap) Championship.

There is no additional fee to be in this championship.

Handicaps will be determined by pennant standing/performance and Open Championship results.

Open Championship entrants who do not wish to contest this championship will be asked to advise the Tournament Director accordingly so that a schedule of games can be put together with the championship advancing as a knock-out event.

Again, the knock-out games are to be organised by the two bowlers (and a marker).

No date has been set for grand final of this championship.

This is just a reminder that if you ever find yourself with good quality items that you think deserve a new home or owner, please consider donating them to the Club so they can be offered on the Trading Table.

What's your passion away from bowls?

Do you have a personal interest away from bowls that other readers might be able to help with or contribute to ... if so, please contact the editor to discuss inclusion in a future newsletter.

What's do you do with your empties?

If you don't do it already, why not bring your empty recyclable bottles & cans to the club, place them in the black plastic crates near the bar so that the club gets the container deposit refunds.

When you think about it, unless you're a big drinker or a hoarder, you might be spending more in petrol getting to the recycling centre yourself than you get in your pocket.

Just another small way you can help your club!
