From the President (by Sam Katsivas)

Special General Meeting on Monday 1 August

The SGM was very well attended with 48 people present. The club has, through its members as guided by the board, decided to continue the quest of delivering the very best centre for bowls here in South Australia.

The vision is that with the support of peak bodies and government, a State Centre of Excellence can and will be built on the council-owned land that is currently hosting our bowling club. Our previously exclusive partner Torrensville has requested time to explore further options, as is their right and certainly their prerogative. This will take time, as it should, but from a Lockleys perspective, it also presents higher levels of risk for the development.

As a result, at the SGM, members voted that we should continue forward with the project as Lockleys and broaden the scope to look at all options available. The reality is that with the advent of new support from the peak bodies of our sport, a State Centre of Excellence becomes a very attractive proposition for any bowls club in SA wanting to re-locate into state-of-the-art facilities. These are certainly options we will explore.

As tasked by our members, Brad Jansen and I will forge ahead and, in doing so, will leave no stone unturned as we forensically examine our options, consistent with the vision of creating something very special for our club and for the entire sport of bowls.

I certainly appreciate and do not underestimate the enormous support I feel from our members, as I know only too well from listening to experiences in other clubs, how valuable it is in creating goodwill, harmony, and a sense of pride in your club.

I, for one, continue to remain very proud of this club and its members.

Council Elections

The forthcoming council elections are of interest to us as a bowling club. Mayor Coxon is our club patron and, as our “number one ticket holder”, is more than just a figurehead as these positions can sometimes be. He is extremely active and supportive in the affairs of the club, as most of you would have witnessed over the last few years.

For those of you living in the City of West Torrens, I urge you to cast your vote in the forthcoming elections and while I can't direct you on which way to vote, I'm sure you understand the importance of having good people and staunch allies in your local council.

Portfolio Restructure

The board is currently working on the governance of the club and in the process, redefining the Portfolio Directorships to align more closely with our club operations and ethos. The process is designed to provide clarity, transparency and purpose as well as to create working templates so that in future anyone can step into any directorship position and have clear procedures to underpin their understanding of the role and their subsequent actions.

Part of the process involves the examination and updating of our by-laws and realigning them with the organisational structure of the club. The board is currently working on all these processes, and it is hoped we will have enough work finalised, so we are able to share it with the members prior to the start of the season.

I will flag that this new restructure is heralding some important changes to our operations. It will no longer be acceptable for individuals or small groups to run their own operations independently of their portfolio director who ultimately reports and is accountable to the board.

Operations involving money cannot and must not be independently managed. They must be sanctioned and governed by the appropriate director, through the auspices of the treasurer.

The annual auditors' report of our financial operations has been alerting us to this undesirable practice for several years now and we have been remiss as a board to have allowed it to continue for so long. This will be addressed and corrected.

Quiz Night

The quiz night on Saturday 13th August is definitely going ahead with 10 tables fully booked. If we can get that to 15, I'd be delighted, so if you can make the effort and get a few people together from work, family or friends and make up a table it will really support the club.

Don't worry if you are not a quiz whiz – that's not the point. It's a good fun night, all-round.

Mark Ballestrin is always wondering what his role as Vice-President is. This is his night to shine. Mark's presence at any quiz night is to guarantee that your quiz table won't come in last; and what an important role that is.

Please let me (Sam) know if you would like to book a table. It's certainly not too late.

2022 Commonwealth Games in Birmingham

Our own **Chris Flavel** is to be congratulated on his stunning achievements in the Commonwealth Games – as I write this, he and **Damien Delgado** have just secured the silver medal for Australia in the Para Men's Pairs final against Scotland. Lockleys people have been right there with you Chris and we were thrilled to have been part of your journey.

Bowls Report (from Ashley Halls)

Club night on Tuesday 16 August ... put it in your diary

The night will purpose as a season launch, starting at 6.30pm with the club providing pizzas that will be delivered around 7pm.

During the night, we will welcome new members and present them with their "kit". We will also present badges to last year's pennant winners.

And the night will also include an "on the couch" session with special guest and former Port Adelaide captain Dominic Cassisi who will share some insights into game preparation and mental resilience.

Pennant team nominations

We need to nominate pennant teams to the MBA by Friday 19 August.

The sheets for pennant trials availability will soon be on the notice board. Please check to see that your name is on the list for the day(s) you intend to play AND THAT IT IS NOT ON THE LIST for the day(s) you are not intending to play.

If there is any discrepancy, please contact Theo Katsivas 0417 837 300 or Ash Halls 0423 132 402.

Octane Pairs

Congratulations to Audrey Parkin for winning the Octane Pairs series that just concluded.

A 3-week series of Octane singles will commence on 6 August and conclude on 20 August.

Review of bar prices

A review of our bar prices will be undertaken in time for the new season. This should not come as a surprise.

Please bear in mind that our prices, apart from any introduced new lines, were last updated in August 2018!

We have carried the gradual increasing costs without passing them on to members and every endeavour will be made to keep any increase to a minimum.

Drakes Sponsorship

We have just received a voucher for \$151.00 from Drakes Supermarkets through their Community Dollars program.

We get \$0.01 for every \$2.00 spent by members and scanned at checkout. This is easy and important money (profit) for the club.

The program is moving from a bar-code system to a phone app ... instruction on how to get the app onto your mobile phone have been included in a later part of this newsletter.

Reminder >> It's not that hard ...

... anyone emptying the cans & bottles tubs is asked to follow these simple procedures:

- Cans & bottles are divided into **refundable** and **non-refundable**
- All non-refundable, (**wine, port & small bubbly bottles**) go into the bins immediately outside the cage
- All refundable bottles must be separated into **green, brown & clear** and placed into the separate respective wheelie bins along the badminton wall.
- **EMPTYES ARE NOT TO BE DUMPED INDISCRIMINATELY.**

Failure to follow these simple "rules" results in our volunteer(s) spending Sunday mornings tipping out the bins and sifting through broken glass to sort out the mess.

Please be assured that if these rules can't be followed, bottled beers will not be purchased ... i.e. we will become a "cans only" club.

It is not a difficult job to separate the empties and only takes a few minutes more than dumping them.

FURTHER, PLEASE DON'T PLACE STUBBIE HOLDERS AND WINE GLASSES INTO THE EMPTY'S TUBS.

Memories from the Australian Open 2022

6am walk can be a pleasure and an inspiration

Congrats & commiserations Sue ... it's a helluva task to "go deep" in any of the events, let alone make a final.

Having a front row seat with Gianni & Sam and watching these two "best of friends" go shot-for-shot in a 21-20 game was one of the trip highlights

And when you're not bowling, there's plenty of places (such as the Burleigh Heads Surf Lifesaving Club) for lunch ... the Gold Coast in June!!

Whilst no games are played there, this is the indoor rink at the Tweed Heads Bowls Club ... car park directly below ... a very impressive facility

Marketing & Sponsorship News (from Theo Katsivas)

The M&S Committee had its first official meeting last week with the resultant outcomes:

- Committee Members
 - Theo Katsivas – chair & facilitator + account manager
 - David Aust – account manager
 - Stephen Jones – Newsletter
- New Members approached successfully after the meeting
 - Jorge Regidor Yanez – account manager
 - Matthew Hull - account manager
 - Audrey Parkin – lead generator
 - * more lead generators needed *

In our initial period, the focus will be on tidying up sponsorship renewals from existing sponsors and bedding down the benefits that sponsorship packages offer, for example:

1. Ensuring that sponsors are mentioned at people gathering events (night owls, pennant home games, Friday pairs, Octane)
2. Ensuring that the TV screen is turned on and showing the sponsor slides
3. Ensuring that sponsors are offered the opportunity to address our members once a year (perhaps on an organised sponsor evening)

We will then approach businesses who benefit from our custom, for example:

1. meat raffle suppliers
2. liquor suppliers
3. general food suppliers
4. bankers
5. insurance providers
6. fertiliser suppliers

The long-term goal of this Portfolio is to maximise the income for the club. It will not solely be about attracting and keeping sponsors loyal and simply depositing that income into general revenue. Our intention is to maximise major sponsors' contribution by investing those dollars into events that could potentially generate double or triple the initial sponsorship amount. This strategy of course will go hand in hand with Social and Bowls Committees' involvement.

Please contact Theo Katsivas on 0417 837 300 if you have any interest in contributing.

Do you, a family member or a friend want to bring a business to the attention of Eagle Wrap readers, Lockleys members & supporters or the wider bowls community. If so, speak to Theo about a tailored marketing or sponsorship package.

Having a Lockleys team at other club's tournaments is important for several reasons (which I won't list here). If any of the above are of interest to you and you are struggling to fill a team, please speak with Stephen Jones on 0401-991-980 ... he might be able to help.

If you are "very" interested or keen to hear about club tournaments, such as those listed above, let me know by email esanjay26@gmail.com and I will give you an early "heads up".

Lockleys Bowling Club trading table

This is just a reminder that if you ever find yourself with good quality items that you think deserve a new home or owner, please consider donating them to the Club so they can be offered on the Trading Table.

What's your passion away from bowls?

Do you have a personal interest away from bowls that other readers might be able to help with or contribute to ... if so, please contact the editor to discuss inclusion in a future newsletter.

What's do you do with your empties?

If you don't do it already, why not bring your empty recyclable bottles & cans to the club, place them in the black plastic crates near the bar so that the club gets the container deposit refunds.

When you think about it, unless you're a big drinker or a hoarder, you might be spending more in petrol getting to the recycling centre yourself than you get in your pocket.

Just another small way you can help your club!

And finally ...did you hear the one about ..?

Smith goes to see his supervisor in the front office.

"Boss," he says, "we're doing some heavy house-cleaning at home tomorrow, and my wife needs me to help with the attic and the garage, moving and hauling stuff."

"We're short-handed, Smith" the boss replies, "I can't give you the day off."

"Thanks, boss," says Smith "I knew I could count on you!"

Drake Supermarkets Community Dollars ... the App

The Drake Supermarkets “**Community Dollars**” program benefits community clubs when members shop at Drakes. A receipt bar-code system has recently been phased out in favour of a phone app.

All members and friends of the Lockleys Bowling Club are encouraged to download the app and every time you shop at Drakes, open it, they’ll scan it and 1% of your spend will automatically be donated back to the Lockleys Bowling Club.

It’s a great way and easy for you to contribute to the club financially without actually spending money at the club. Lots of little amounts, over time turn into big amounts!

Here are the instructions

Go to your phone’s App centre ... “**App Store**” (for Apple phones) or “**Play Store**” (for Android phones) and search for the *MyDrakes* App.

- Download and install it.
- Open it and it will request your phone number so that it can send you a verification number.
- Enter your mobile number and a text will arrive with a code number.
- Enter that code into the app and a window will appear asking you which **community club** you want your dollars sent to.
- Swipe through the (long) alphabetical listing and find “**Lockleys Bowling Club**”.
- Select it (you’ll see a tick appear alongside our club) and that’s it!

If you are not confident, next time you are at the club, ask any of Liv, Mark, Sam, Ash, Theo, Brad or Nicole ... they’ll be very happy to help you.
