From the President (by Sam Katsivas)

Club Organisation

In 2021, at the direction of the board, a representative group of Lockleys members met to map the future of the Lockleys Bowling Club. The group, which was comprised of a cross-section of club people, Ashley Halls, Chris Flavel, Olivia Piper, Jo Easson, Lyal Mutton, Theo Katsivas and me, was convened, and through a facilitation process managed by Brad Jansen, a workshop was conducted to identify the strengths and weaknesses of our club, and to map an optimal organisational structure that would lead the club successfully and sustainably into the future.

At the conclusion of the workshop, many pages of workshop output were synthesised into a series of documents, the key one offering a new organisational structure of the club which was presented to the board for ratification. The board has contributed to the document and has now ratified it as the blueprint for our future.

I have included the “Org Chart” (OC) at the end of my report.

Sitting underneath the OC are five one-page role statements, one for each of the five portfolio directors. Each director will oversee several sub-committees, as part of their role on the board.

LBC Portfolio Directors

Bowls Director – **Ash Halls**

Membership Director – **Nicole Siokos**

Marketing & Sponsorship Director – **Theo Katsivas**

Social Director – **Olivia Piper**

Facilities Director – **Glenn Miles**

The board has also invested considerable time in re-writing ALL of its by-laws, so they fit within this new organisational framework.

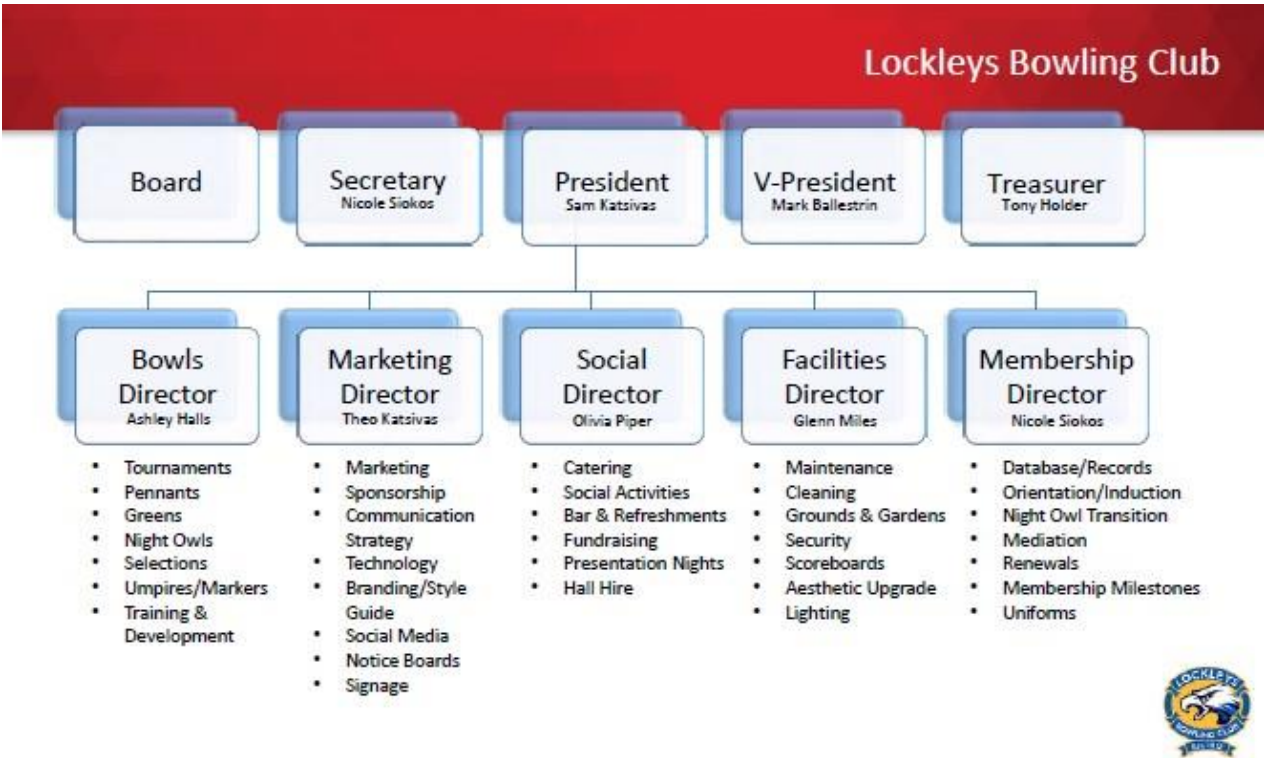

As part of the new framework, it will be incumbent on all directors to make themselves familiar with, and enact the relevant by-laws for their portfolio, because as directors, they have been provided full autonomy by the board, to manage their portfolio in line with the objectives of the club.

All sub-committees will report to their director, whilst directors report to the board. The new framework will also provide clarity for members so that feedback, questions, concerns and compliments can be directed to the appropriate people.

I encourage all members to make themselves familiar with the new blueprint and to understand that when they have a concern or issue, it should be directed to the relevant portfolio.

My anticipation is that in the coming weeks, the completed organisational documents and accompanying by-laws will be displayed on the club noticeboard as well as on the website in the **MEMBERS** section. Please note that this section of the website is passworded. I will send out a separate email to all members informing them of the password. I ask that you do not share this password with people from outside our club.

I would like to thank Brad for facilitating the original workshop (it seems like a lifetime ago now) and for synthesising the outcomes; and to my fellow board members for supporting the workshop by building on the outcomes to produce not only a blueprint for the future, but also a valuable succession document which will enable newly aspiring board nominees, when elected, to step into their board role with guidance, direction, purpose and confidence.

Bowls Report (from Ashley Halls)

Club Super Challenge (sponsored by Taylor Bowls)

The Sunday evenings "Taylor Bowls" is up and running again ... for up to 13 weeks starting 13 November with a break over Christmas & the New Year ... and we are looking for **expressions of interest** in order to determine how many teams (of 10) to register and which grades they will be best suited to.

We need to know very soon.

You will not be expected to play every week but we need to know who is interested ... and if that's you, **please put your name on the notice board sheet**.

If you have any questions or if you want more information, please contact Ashley Halls on 0423 132 402.

Umpires & Measurers

With help from Bowls SA, the club wants to run some training & accreditation for LBC bowlers who want to step up and get qualified as umpires and/or measurers.

If you are interested or if you have any questions, please contact Sue Coultas on 0403 905 264.

Club Championship Pairs Day >> 30 October from 10am

Everyone who has registered for the Men's and the Ladies' club championship pairs is reminded that the first round of games must be completed by Sunday 30 October.

To help achieve this, the club has designated that day as club pairs day and the club & greens will be open for all who need to play.

If this day is unsuitable, you must play your game before that day.

On 30 October, there will/may be an opportunity to play your second round game (which will dramatically help advance this event) or play a scheduled championship singles game (in the afternoon). Think about it.

Availability of greens

Bowlers are reminded that the club's aim is to have at least one green available to bowl on Tuesday to Sunday inclusive.

Monday remains a day of rest for the greens and the greens crew.

When you attend the club to have a roll, you **MUST** check the greens allocation whiteboard and only use the designated green and also adhere to any prevailing notes, instructions or comments.

The greenkeeper's notes and/or instructions **ARE** put there for a reason ... east-west bowling may be in regard to even wear & tear while the complete closure of a green may be because poisons or fertilisers have not had sufficient time to be absorbed.

ALWAYS CHECK THE BOARD.

Book your championship games

After you have made arrangements with your opponent to play a club championship game (be it singles, pairs or triples), please enter the date & time of the game in the 'greens booking' book near the noticeboard so that the greens crew know about it. This will enable thorough preparation of a green for you.

Tuesday afternoon is an ideal time to play championship games because one of the greens would have been well-prepared in the morning for ladies practice.

Also Thursday afternoon, after the ladies have had a home game is also another time to find a well-prepared green.

Night Owls

The club's Tuesday and Wednesday evening Night Owls has begun.

It is a very important part of the club. It generates important income, it raises the profile of the club and it continues to provide the club with many of its new pennant bowlers.

The organisers and small teams who run their respective nights can always do with more help ... if you would like to assist on either of the nights, speak to Ashley Halls re helping on Tuesday nights and/or President Sam re helping on Wednesday nights.

And don't worry ... they'll find something you can help with.

Marketing & Sponsorship News (from Theo Katsivas)

The M&S Committee continues to seek out new sponsors and ensures that our existing sponsors are well looked after so they will continue to sponsor our club.

In the last Eagle Wrap, we mentioned that we would introduce new sponsors as they committed to our club.

I am proud to announce that due to the great sacrifice of both your Sponsorship & Social Committees who had to spend their own personal time on a public holiday to visit Dowie Doole Wines at McLaren Vale and who were subjected to wine tasting and consuming cheese platters, all for the benefit of securing some new wines for our bar – have done just that.

You're all very welcome 😊

As our newest Silver Sponsor, Dowie Doole Wines at McLaren Vale, will be providing a range of wines for us to sell in our club bar. Not only have they taken up a Silver Sponsorship package but they will be providing their premium wines at wholesale prices for us.

Look out for announcements from your Social Committee of upcoming cheese and wine tasting events.

Do you, a family member or a friend want to bring a business to the attention of Eagle Wrap readers, Lockleys members & supporters or the wider bowls community. If so, speak to Theo about a tailored marketing or sponsorship package.

SPONSORS PAGE

The lifeblood of a bowls club is to support its sponsors. Lockleys is no different. Please consider doing business with our sponsors. Each newsletter some of our sponsors including offers to members, family and friends will be featured.

The Lockleys Bowling Club would like to welcome our latest Platinum Sponsor, Maya Real Estate.

Liv Piper (LBC Member) would be only too happy to discuss renting or selling your property.

OFFER: MAYA Real Estate offers a discounted rate for any club member, family or friend, together with a generous donation to our Club! Contact Liv on 0413 370 413 or liv@mayarealestate.com.au

Having a Lockleys team at other club's tournaments is important for several reasons (which I won't list here). If any of the above are of interest to you and you are struggling to fill a team, please speak with Stephen Jones on 0401-991-980 ... he might be able to help.

If you are "very" interested or keen to hear about club tournaments, such as those listed above, let me know by email esanjay26@gmail.com and I will give you an early "heads up".

Lockleys Bowling Club trading table

This is just a reminder that if you ever find yourself with good quality items that you think deserve a new home or owner, please consider donating them to the Club so they can be offered on the Trading Table.

What's your passion away from bowls?

Do you have a personal interest away from bowls that other readers might be able to help with or contribute to ... if so, please contact the editor to discuss inclusion in a future newsletter.

What's do you do with your empties?

If you don't do it already, why not bring your empty recyclable bottles & cans to the club, place them in the black plastic crates near the bar so that the club gets the container deposit refunds.

When you think about it, unless you're a big drinker or a hoarder, you might be spending more in petrol getting to the recycling centre yourself than you get in your pocket.

Just another small way you can help your club!

And finally ...did you hear the one about ..?

A linguistics professor was lecturing his class.

"In English," he explained, "a double negative forms a positive.

In some languages, such as Russian, a double negative is still a negative."

"However," the professor continued, "there is no language wherein a double positive can form a negative."

A voice from the back of the room piped up...

"Yeah, right."
