

Information for Bowlers – Lockleys Bowling Club – 23/11/2020

Lockleys Bowling Club greens will be open for exercise at the times listed below. A COVID marshal will be present to ensure COVID requirements are being met. You will be required to sign in, sanitise and social distance in order to bowl. We are allowed to have up to 30 people at any given time, so we do not anticipate that those numbers will be reached or exceeded. Just turn up within the designated time frames if you would like to have a roll. Anybody may come to any session.

You may only come for a roll during these designated times and not at any other time.

Wearing a mask is preferable, though not compulsory.
