From the President (by Sam Katsivas)

Events

Two events are coming up in the club's calendar … a men's country singles day (on Tuesday 30 January) and the women's country round robin (Monday 5 February to Friday 9 February).

The men's event is well in hand with sufficient members having volunteered to mark on the day.

The women's event is one of the biggest gigs of the year and a lot of hard work has gone into creating an event which now has deserved prestige in the bowls community and is also something the country women look forward to every year.

We are still looking for daily volunteers, especially on Tuesday 6-Feb, Wednesday 7-Feb and Thursday 8-Feb when the competition will be in full swing.

Vice-President Karen has put a shout out to the men in our club to step up on the Thursday. Most of the women volunteers will be playing bowls that day, so we do require quite a few more men on the Thursday.

Please give it some thought and if you can help, please let Karen know so she can add your name to the roster.

Bar

I'm sure you've all noticed that the bar is running very efficiently now with the fridges repositioned, the rosters re-worked and some very dedicated volunteers who are manning it very effectively.

My thanks go to Sue and Michael Hogan and their willing band of volunteers who have cleaned and tidied it and are working well together to provide great service to our club members and

visitors. Bar revenue has increased as a result, and also by virtue of several very well-attended functions that the social committee has organised and overseen.

It is a perfect example of committees working together to produce optimum results for our club. Thank you to all those who are involved.

News from the MBA President's Meeting Sunday 21st January
The following summarised dot points were discussed, and presidents were asked to relay this information to members.

- Bad behaviour will not be tolerated and the club along with the errant member will be held accountable for breaches of unacceptable behaviour. If a member or club has a grievance against another club, a letter should be sent to the offending club with a CC to the MBA.

  Further to MBA instructions, if one of our members is subjected to inappropriate behaviour from a member from another club, as defined in our own code of conduct, please provide a report to the secretary, vice-president, bowls director or president. The board will then instigate appropriate action from there.

- Regarding extreme weather, MBA has requested maximum co-operation with all officials (umpire of the day, side managers, greens managers) to ensure sensible decisions are made based on local conditions, remembering that we have a duty of care especially for our older bowlers.

- Scorecards are the official records of games played and must be filled out accurately. Bowlslink needs to be completed after the game and in the event of a side forfeiting, as well as entering that into Bowlslink, MBA requests that they be sent an email or SMS as well.

- There will be feedback sought from bowlers of all divisions around the new rule changes to complement the feedback already received from the ten Premier League clubs.

Upcoming
You will note as you read through this newsletter, dates of upcoming events such as the club end of season dinner, presentation night, AGM and so on.

Please add them to your calendars and diaries so that you don't double book yourself.

Umpire's Corner: Getting to know the Laws of the Sport of Bowls

Each newsletter, we will be proposing some actual and theoretical situations that have arisen or may arise during a game of bowls. Check your knowledge of the laws of the game with the answers that are provided at the end of the newsletter. No correspondence will be entered into, but maybe some lively discussion will be initiated!

The references will be World Bowls "Laws of the Sport of Bowls" Crystal Mark 4th Edition April 2023 Australian Edition (hereafter shortened to "The Laws"), and Bowls Australia Domestic Regulations April 2023 (DR).

Scenario 1

Q1. A qualified umpire (who is not the day's appointed duty umpire) is spectating from the sidelines and notices or thinks a bowl near the rink boundary is out. Is it OK for her to check with the proper measuring equipment to determine the status of the bowl?

Q2. Is this scenario different if the "spectator" is the appointed duty umpire?

Answer Q1. No. Both the skips allowed play to continue, thereby showing that they think it is still a live bowl and have not requested it be checked. Per **Law 45.3** The person is a spectator, (umpire or not), and a spectator must not disturb or advise the players in any way.

Answer Q2. However, if the spectating umpire is the appointed duty umpire of the day**, Laws 40.1.4, 43.2.4** and **43.2.5** override this.

Law 40.1.4 If the umpire considers that a decision reached by the skips (i.e. in this case the decision is implied by the skips allowing play to continue, even if unspoken) is not in line with The Laws, the umpire must overrule that decision so that it is in line with The Laws.

Laws 43.2.4 and 43.2.5 The umpire must decide whether a jack or bowl is in play or not, and the umpire must ensure that all aspects of play are in line with The Law.

Scenario 2

After a few ends of the morning play of a state competition had been completed, heavy rain forced the players from the green.

Q1. Are further trial ends permitted
(a) on resumption of play in the afternoon of that day?
(b) on resumption of play at the same venue the following day?

Q2. Continuing from the above scenario, on resumption of the match the following day, one player decides that due to the change in the speed of the green, he wants to play with a different set of bowls. Is this permitted?

Q3. One of the players from the team is not available to play the next day. Is the team allowed to provide a substitute, and if so are there any limitations on how that is done?

Q4. One of the teams is not available at any time to recommence the stopped match on another day and have to forfeit the match. Can a player from the team either forfeiting or receiving the forfeit then be slotted into another team in that competition to strengthen it for when the match is resumed?

The answers to Scenario 2 question are near the end of the newsletter.

Marketing & Sponsorship News (from Theo Katsivas)

Since our last Eagle Wrap edition in December, we have had two member draws conducted on Saturday evenings. The jackpot was not claimed on either occasion by Darryl Rebeck nor by Brian Teakle. Bad luck chaps.

We have a record jackpot of $300 being drawn this Saturday 27th January at 6.00pm so make sure you're there with your card should your number come up.

Even though our Premier team is not playing this Saturday, it is a good chance for you to get down to the club and support your fellow club members.

On the sponsorship front, we are currently negotiating with a local hearing clinic that clearly considers us within their target market. Once the loyalty rewards program criteria have been satisfied, we will let you know. More on that in the next edition.

Night Owls tear drop flags are now displayed at the entrance to our club. The new club flag is also in use and looks very smart.

LOCKLEYS
— HOTEL —

20% Discount Mon-Thurs on all meals

The Lockleys Hotel has been a valued and long-time sponsor of our club. It is a venue where you can pop in for a meal on any given day and if you present your member card on Monday through to Thursday, you receive 20% discount. Or you could just pop in for a quick ale or two, have a punt on the races or spend some time in their pokies lounge. But remember, Gamble Responsibly.

Watch this space for more to come.

Do you, a family member or a friend want to bring a business to the attention of Eagle Wrap readers, Lockleys members & supporters or the wider bowls community. If so, speak to Theo about a tailored marketing or sponsorship package.

MELBA

Sponsored by WOON & QUIN

MELBA got off to a great start for 89/90 with the pre-Christmas rounds completed.

Already there are signs that some of last season's winners will be struggling to take out their Sector premierships this season. Three of the four are well down their respective premiership tables with three new leaders at this early stage. Only in Northern Sector, Walkerville, last year's Sector winner's two sides are currently first and second.

In Eastern Sector, Beaumont, last year's "Splinter Pearse" shield winner, is currently sixth and hold only 53% of leader Toorak's points.

In Southern Sector, although early days with only 2 rounds played, last year's winner Brighton is struggling in 7th position holding 50% of leader Marion Red's 28 points. In Western Sector last year's winner Woodville is in fifth position with 44% of the current leader's points (Lockleys Red).

It is particularly good to note the positions of our two newcomers this year, Semaphore and Edwardstown. Semaphore is second in Western Sector, equal on points with Lockleys Red and only 10 shots behind them. Edwardstown is fourth in Southern Sector with a 1 shot loss to South Park and then a 13 point 30 shots up win over Ascot Park.

Forfeits and byes cloud the issue at this early stage, but once again we look set for cliff-hanger finishes to the season. Six points separate the top four in Eastern. Four points separate the top three in both Northern and Southern and three points the top three in Western.

The premiership tables at Xmas were:-

BOWLED OVER WITH PRAISE

As a special Christmas extra for all bowlers, Doug Gibson has obtained one or two translations of the real meanings behind Skip's comments to their players during games:

* "Hard luck" - you're just a little short", means "For heavens' sake get them up".

* "Hard luck - you're just a little heavy" means "What on earth is he firing for?"

* "You've a wonderful line" means "You're a lousy length".

* "You've a lovely length" means "You've a lousy line".

* "Your delivery is very special" means "I can't think how he gets them near bowling like that".

* "It's a good blocker" means "It's in the way again".

* "Fire" means "You'll never draw it".

* "Could be useful there" means "At least you had the right bias."

* "I wish you were here" means "I wish you'd stayed at home".

* And finally, it is reported on good authority that the following conversation was overheard at Richardson's Indoor Centre the other week. The lead, who had just come off the green, said to his skip: "I thought I had one or two good woods today." His skip was heard to reply: "Yes, it's a pity you didn't bowl them."

FORMER RUGBY UNION PLAYERS

To all former Rugby Union players who are now bowlers.

Would you be interested in arranging a reunion game of bowls?

This could take various forms e.g. single entry or current club (pairs, triples, or fours) or perhaps a challenge issued to bowlers who were associated with another sport.

Proceeds could be for a specially nominated charity.

Naturally there are options as to when and where the game could be played.

If you are interested I would be pleased to hear from you.

Phone Alec Marks 295 6395 or write to 119 Tapley's Hill Road, Glenelg North.

If sufficient interest is shown further contact will be made.

What's do you do with your empties?

If you don't do it already, why not bring your empty recyclable bottles & cans to the club, place them in the black plastic crates near the bar so that the club gets the container deposit refunds.

When you think about it, unless you're a big drinker or a hoarder, you might be spending more in petrol getting to the recycling centre yourself than you get in your pocket.

Just another small way you can help your club!

And finally …did you hear the one about ..?

A man goes into work and says to his boss, "I brought home a map of the world and a dart and asked my wife to have one throw, promising that wherever it landed, I would take her for our golden wedding anniversary."

The boss asks with interest, "So where are you going?"

The man replies, "It turns out we are spending two weeks behind the fridge."

Umpire's Corner … The answers

Q1
(a) No
(b) Yes
Law 5.1. Trial Ends. Before the start of play in any game, or before continuing an unfinished game on another day, one trial end must be played in each direction. Trial ends may also be permitted when an interrupted game is moved from a vegetation surface to an indoor or synthetic surface.

Q2 Yes

Law 29.3.2 allows this, but only if the game is resumed on a different day.

Different bowls can also be used in a game continued on the same or another day if the game is moved from one type of surface to another e.g. grass to synthetic or indoor **(Law 29.3.1.2)**.

Q3 Yes

One substitute only is allowed **(Law 33.4.1),** but must play in any position other than skip, and the other members of the team can rearrange their positions as necessary **(Law 32.4)**.

Q4 No

Once the jack has been rolled in the first end of the first game the team is constituted. Players in a team forfeiting or receiving a forfeit are constituted and cannot act as a substitute or replacement player in any other team in that competition. **(DR 2.3.2)**
